Can you help?? We are a non-profit organization that places foreign exchange students with American host families. We have an immediate need for a host family for a 17 year old boy from Hong Kong (before Thanksgiving). He likes to play basketball and watch movies. His favorite subjects are Economics and Psychology. He also enjoys reading and listening to music. He is eager to learn more about our culture and continue to improve his English skills! He would live with you till the end of the school year next May. He brings his own spending money and insurance, you provide room and board, a place to do homework and a loving family environment. Host families are eligible for a tax deduction for hosting. Share your home and your Thanksgiving traditions! Please call, e-mail or message me ~ Donna Acosta, 859/368-0981, [dacosta@icesusa.org](mailto:dacosta@icesusa.org), <http://www.icesusa.org>
